Dear Ms. Manzano:

This letter is in response to your correspondence of September 13 citing certain contributions that appear to have exceeded the allowable limit on our May, June, and July monthly reports.

The contributions in question were incorrectly disclosed, as a result of a keying error in our donor database. We have amended the returns and the accompanying schedules. The amended reports are attached. Please contact me directly if you have any questions or require additional information.

Sincerely,

A handwritten signature in dark ink, appearing to read "A.J. Pietrantone". The signature is fluid and cursive, with a long horizontal stroke at the end.
